Dear Mr Levin!

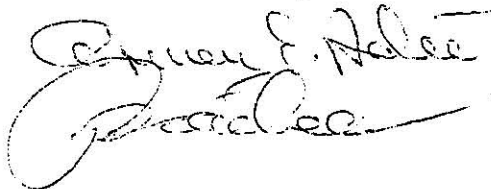

As recent new customers of Statewide Remodeling we would like to let you know how very pleased we are with your product! We had all our windows replaced, and our experience with your company was truly excellent. The customer service was great, the gentlemen who came to do the work were courteous and clean, scheduled appointments were on time; to make it brief: Outstanding customer service!

No doubt, we will try to recommend your company to our friends!

Thanks again!

Sincerely,

Carmen and Robert Achee
