

June 26, 2009

Rob Levin, President
Statewide Remodeling
2940 North Highway 360, Suite 300
Grand Prairie, TX 75050

Our new windows not only look better but have caused our air conditioner to have to work less during this hot weather.

We appreciated the courteous and efficient workers who did the installation work. They installed all 17 windows the same day which we appreciated very much.

Statewide Remodeling did a good job for us.

Juanita Gregory
