Re: Bathroom remodeling

To Whom It May Concern at Statewide:

I am writing this letter to commend Allan Miller on being such a good salesman. After listening to Allan's presentation, my wife and I were convinced that we wanted Statewide to do the remodeling work. Statewide was by no means the least expensive, but the quality of the work and the final product were very good.

You have a great salesman, in Allan, working for you. We wish him well.

Sincerely,

Ben Longoria
