CONDENSATION

The appearance of condensation or frost on either the inside or the outside surface of the insulated glass unit does not indicate a defective seal, an improper installation, or faulty workmanship. This is a direct result of excess moisture in the house or exterior condensation.

PROCEDURE

All warranty claims should be made to the installing contractor. Sunrise Windows, Ltd., or authorized representative, reserves the right to inspect any window or door for which a warranty claim is made, and make a determination that may include repairing or replacing.
