Cabinet Restylers® will provide to you, free of charge, the necessary material required. The replacement of new materials for those that may be defective may result in color variance in comparison to the originally installed laminates due to slight color or texture changes by laminate manufacturers and is not indicative of a defect. Cabinet Restylers®, Inc. reserves the right to substitute such laminates as are then being manufactured and is only obligated to match color and quality with such products as it is manufacturing at the time of replacement. These items will be shipped to you as soon as possible after the problem is determined. Shipping and handling are the responsibility of the customer.

This warranty shall exclude all damage to Cabinet Restylers® doors and other restyling products due to misuse, ordinary wear and tear, or neglect by the homeowner or others. This warranty excludes any incidental and consequential damage including but not limited to personal injury for breach of any written or implied warranties. Note that this warranty gives you, the customer, specific legal rights in addition to the rights you may have as governed by your own state law. Work completed on ____/____/____. This warranty is transferable once in the event the original customer sells the home at which this work was performed.
